LANDER BRUTALIST CONCRETE LIGHT

Category: [Concrete Lighting](#)

Order code: LL01

Description: View the [Lander Brutalist Concrete lamp](#) page

The Lander lamp is a simple Brutalist light shade of raw cast concrete with a hard edged industrial feel. The Lander is cast with a lightweight formula concrete mix that reduces the mass by a third, this allows the lamp to be used without a hanging chain or wire, making it simple to swap your existing pendent lamp for the Lander Brutalist concrete lamp.

Reduced mass concrete, braided flex, E27 screw fitting, choice of cable grip.
