

**BRUTAL DESIGN****LANDER-2 CONCRETE PENDANT LAMP**

Category: **Concrete Lighting**

Order code: **LL02**

Description: View the [Lander-2 Concrete pendant lamp](#) page

The Lander-2 pendant lamp is a simple spot style light shade of raw cast concrete with steel edging ring and vertical fin details to the upper 'stem' of the lamp body. The edging ring is bolted into threaded inserts that are set into the shade body when it is cast in its mold.

Supplied with braided flex, E27 screw fitting, heavy duty hanging chain, S-hook and eye nut.
