-XX- CONCRETE & STEEL COFFEE TABLE

Category: [Concrete Furniture](#)

Order code: **XXCT01**

Description: View the [XX Concrete and Steel Coffee Table](#) page

The XX coffee table trestle legs are constructed from 178 x 102 x 19Kg/m Universal beams bolted at 90 degrees to form an X with 8 x M10 4.6 steel bolts. The legs are bolted to the table top via threaded inserts set into the concrete during the casting process.

The table top is 75mm thick steel reinforced and Polypropylene fibre reinforced raw concrete. The top is sealed with a penetrating sealer and then waxed.

Specification

Materials: *Concrete:* 40 N/mm, 12mm Steel reinforcement bars, Polypropylene fibre reinforced.
Steel Legs: 178 X 102 X 19KG S355J0 - Universal Beam
Steel cross bar: 21.3 x 3.0mm S235JRH CF GRN - Circular Hollow Section
Bolts: M10, 4.6 Steel

Finish: *Concrete:* Raw, self colour, sealed and waxed.
All steel: Self colour, uncoated.
